

C1-Scurity

Professional Commercial Cleaning Services Across Queensland

About C1-Scurity

At C1-Scurity, we believe that a clean workplace is the foundation of a productive, healthy, and professional business environment. We provide reliable commercial cleaning services tailored to the unique needs of businesses across Queensland. Whether you require daily office cleaning, specialised medical sanitation, industrial facility maintenance, or scheduled deep cleaning, our experienced team delivers exceptional results with meticulous attention to detail.

Using industry-leading equipment, environmentally responsible cleaning products, and highly trained professionals, we ensure every facility meets the highest standards of cleanliness and hygiene. Our primary objective is to create safer, healthier, and more welcoming environments for employees, customers, and visitors alike.

Core Commitment: Delivering consistent, high-standard hygiene solutions tailored to operational requirements across commercial, industrial, and healthcare sectors.

Our Commercial Cleaning Services

C1-Scurity provides a complete range of commercial cleaning services designed for businesses of every size:

Office Cleaning

Routine workstation cleaning, vacuuming, mopping, dusting, washroom sanitisation, kitchen cleaning, rubbish removal, and meeting room maintenance.

Medical & Healthcare Cleaning

Strict infection control procedures, disinfecting treatment rooms, waiting areas, high-touch surfaces, and compliance with healthcare hygiene standards.

Education & Childcare Cleaning

Safe and hygienic cleaning for schools, colleges, universities, childcare centres, and educational facilities using child-safe cleaning products.

Industrial & Warehouse Cleaning

Heavy-duty cleaning for warehouses, factories, manufacturing plants, logistics centres, workshops, and storage facilities.

Retail & Shopping Centres

Maintaining spotless entrances, display areas, floors, glass panels, fitting rooms, food courts, and customer amenities.

Hospitality Cleaning

Hotels, restaurants, cafés, bars, clubs, event venues, and accommodation facilities cleaned to the highest presentation standards.

Specialist Cleaning Services

Our specialist cleaning programs are customized according to your business schedule to ensure zero downtime and optimal presentation:

- **Carpet Steam Cleaning:** Deep thermal extraction for dirt and allergens.
- **Window & Glass Cleaning:** Interior and exterior streak-free clarity.
- **High Pressure Washing:** Exterior facades, footpaths, and hardstand zones.
- **Hard Floor Care:** Machine scrubbing, stripping, and high-gloss polishing.
- **Tile & Grout Cleaning:** Deep extraction and stain removal.
- **Washroom Hygiene:** Complete sanitisation & replenishment solutions.
- **Builders Cleaning:** Post-construction dust removal & handover cleans.
- **End of Lease Cleans:** Comprehensive move-in / move-out property restoration.
- **High Dusting:** Overhead structural beams, pipes, and ceiling vents.
- **Emergency Response:** 24/7 rapid response for unexpected incidents.
- **Biohazard Cleaning:** Safe decontamination and waste disposal protocols.
- **Infection Control:** Electrostatic spraying & high-touch sanitisation.
- **Warehouse Deep Cleans:** Scrubbing loading docks & floor bays.
- **Car Park Cleaning:** Sweeping, oil stain treatment & maintenance.
- **Graffiti Removal:** Safe surface restoration without paint damage.
- **Preventative Maintenance:** Tailored ongoing hygiene schedules.
